Biography:

Faith United Church of Christ was organized by the merger of the German Evangelical Congregational Salem Church and the Evangelical St. John's Church. The older congregations, formed in 1901 and 1917 respectively, had been founded by newly arrived Germans from Russia in the "North Bottoms" area of Lincoln. Declining memberships resulted in a merger vote on December 12, 1966, and the official incorporation the following February. Faith Church is located in the building formerly occupied by the Salem Church.

Scope and Content:

This collection consists of two books of church records which includes sermons, members, marriages, funerals, baptisms, marriages, and other church business. There is also a program from July 12, 2009 for the final services held at the church.
